About Company

OAO Raspadskaya is situated in the Kemerovo region of Russia. The company comprises two underground mines, one open-pit operation, a coal preparation plant and one underground mine under construction, as well as a coal transportation network and a number of integrated infrastructure companies. Raspadskaya is one of the leading Russian coking coal producers whose customers include major steel and coking plants in Russia, Ukraine, Eastern Europe and Asia. Raspadskaya produced 13.55 million tonnes of raw coal in 2007. 80% of Raspadskaya's ordinary shares are held by Corber Enterprises Limited, an entity ultimately owned by Raspadskaya management and Evraz Group on a parity basis.
